

Create An Account In Sendgrid

Team ID	PNT2022TMID32947
Project Name	Project – Plasma Donor Application

The screenshot shows the SendGrid login page in a web browser. The URL is app.sendgrid.com/login. The page features the Twilio SendGrid logo at the top. Below the logo, there are input fields for 'Username' (containing 'sivanandhini22@gmail.com') and 'Password' (masked with dots). A 'Forgot your password?' link is positioned below the password field. A blue 'Log In' button is centered below the inputs. Below the button, there is a link: 'Log in with single sign-on (SSO) instead'. At the bottom of the login box, there is a link: 'Don't have a Twilio SendGrid account? Sign up now!'.

The screenshot shows the SendGrid dashboard for user 'Sivanandhini R'. The left sidebar contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS (marked as NEW). The main content area has a welcome message 'Welcome, Sivanandhini !' and instructions to follow steps to get up and running. A prominent blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, the 'Create a sender identity' section explains that a sender identity is needed before sending emails and offers two ways to create one: 'Create a Single Sender' (highlighted with a blue button) or 'Authenticate a domain instead'. A diagram illustrates the sender identity as the 'from' email address. At the bottom, the 'Send your first email' section states: 'Please create a sender identity before sending your first email.' The bottom left of the dashboard shows a 'REPUTATION' bar at 100% and a link to 'VIEW ACCOUNT USAGE'.
